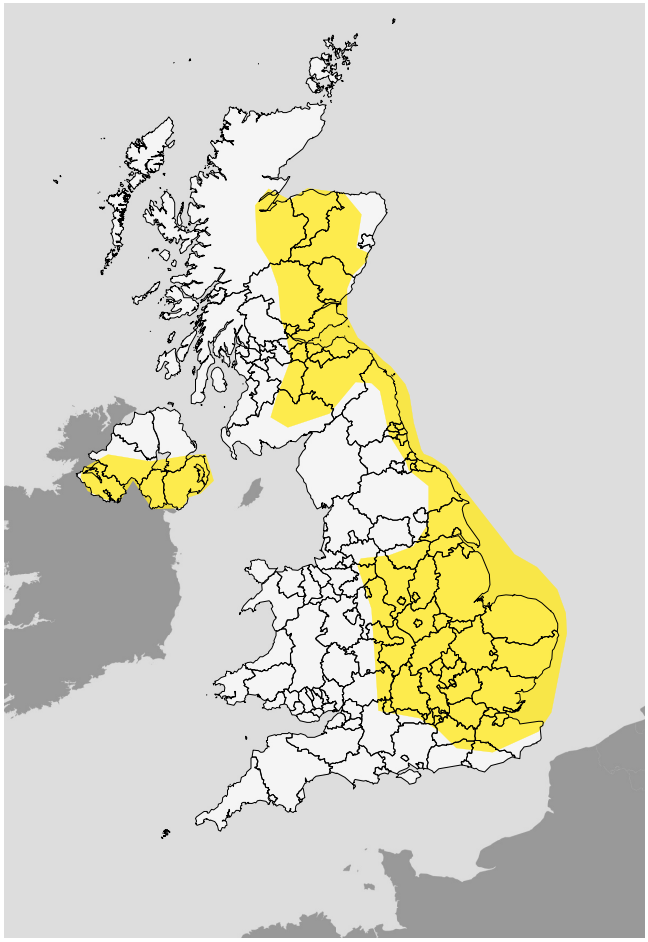
Yellow warning
Thunderstorm

Between
13:00 Wed 10 May 2023 and
20:00 Wed 10 May 2023



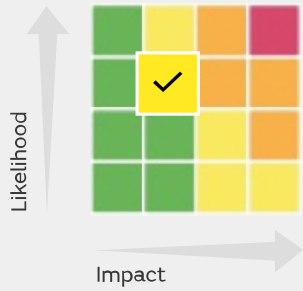
Heavy showers and thunderstorms likely to cause some disruption to travel

What to expect

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Probably some damage to a few buildings and structures from lightning strikes

Further details

Scattered heavy showers and thunderstorms will develop through this afternoon across much of central and eastern areas of Scotland, parts of central, eastern and southeastern England and southern areas of Northern Ireland, before easing during the evening. Where heavy showers develop, 15 mm of rain could fall within an hour and possibly 25-30 mm in 2-3 hours where showers become slow moving, along with lightning and hail.



Medium likelihood of low impacts

Issued at 11:04 Wed 10 May, 2023
